 Service Learning Faculty Fellowship - Spring 2020 to Spring 2021

Option 1. Develop a community research project utilizing GEN S 480 (Engaged Citizenship and Social Responsibility)

I will serve as a Service Learning Faculty Fellow for the three semester period; as a Fellow, I will carry out SL Faculty Fellows Committee work towards meeting its stated goals; I will develop a community research project using GEN S 480 PAR framework in Spring 2020; I will recruit students and teach GEN S 480 in Fall 2020 and Spring 2021. I confirm that my participation is consistent with my scholarly work plans that I have discussed with my Chair/Director in the areas of teaching, professional growth, and service.

Option 2. Redesign an existing course using SDSU’s Service Learning (SL) Course Guidelines

I will serve as a Service Learning Faculty Fellow for the three semester period; as a Fellow, I will carry out SL Faculty Fellows Committee work towards meeting its stated goals; I will redesign an existing department/school course by applying the SL Course Guidelines identified in the SDSU Curriculum Guide as the principal framework for course delivery during Spring 2020; during Spring 2020, I will establish a partnership with community organization(s) to provide structured field experiences for students; I will teach the re-designed course in Fall 2020 and Spring 2021 with a per semester **enrollment cap of 20 students agreed upon by my department chair and college dean**. I confirm that my participation is consistent with my scholarly work plans that I have discussed with my Chair/Director in the areas of teaching, professional growth, and service.

Option 3: Assess, document and present Service Learning practices

I will serve as a Service Learning Faculty Fellow for the three semester period; as a Fellow, I will carry out SL Faculty Fellows Committee work towards meeting its stated goals; I am required to document the Best Practices and provide a report of the successful Service Learning (SL) course taught during the semesters of Spring 2020, Fall 2020 and Spring 2021; the report will describe the complete SL experience in terms of course design, assessment, community relations plan, and student learning outcomes. I confirm that my participation is consistent with my scholarly work plans that I have discussed with my Chair/Director in the areas of teaching, professional growth, and service.
