

Community Partnership Initiative Grant Application

Description

The Community Partnership Initiative Grant purposes to positively impact equity gaps as they relate to historically underrepresented students, increase CSU student retention, and graduation rates. Grantees will accomplish this through partnering with CSU campuses to address critical needs in the areas of academic preparation, college access, and degree completion.

Please complete the following section completely.

Plan of Engagement

Please complete the below section as a separate attached document.

1. In 250 words or less, provide a brief overview of your organizations purpose and describe significant activities such as programs, initiatives, and/or services in the areas of academic preparation, college access and/or degree completion.

2. Have you collaborated with your local CSU campus in the past? If yes, please provide a brief overview of the collaboration purpose and outcomes. Include length of time.

3. Do you currently partner with your local CSU campus? If yes, please provide a brief overview of the collaboration purpose and outcomes. Include length of time.

4. In 500 words or less, describe how you plan to use this grant to address critical needs in the areas of academic preparation, A-G requirements, and college access in your local community. Please include the number of students this will impact as well as an evaluation plan.

5. Please provide proposed a budget of how you will utilize the grant funding.

*Funding will be allocated in varied amounts up to \$20,000 pending proposal review and approval. Please submit completed proposal, proof of 501c3 status, and signed letter of intent to collaborate from your local CSU campus to CSUexternalrelations@calstate.edu. The deadline for proposal submission is **Friday, March 22, 2024 at 5:00 p.m. PST.***

***Awardees will be notified by April 30, 2024. Proposal funding will not cover or reimburse past activities.** For additional questions please contact John Hamilton, jhamilton@calstate.edu or Khadija Bilal, kbilal@calstate.edu.*
